President's Letter
November 2009

Hi Fellow Louisville IMA Chapter Members!

I hope you will be able to join us at 6:00 p.m. on Tuesday, November 17, 2009 at Masterson's Restaurant for our annual joint meeting with PMAL, APICS, ASQ, and IPECS. Paula Weyler-George with Specialty Tools and Machine Company will be speaking on the Theory of Constraint topic of "Clouds".

Also, please mark your calendar for Thursday, April 22, 2010 and be prepared to be entertained, educated, and amazed as Mr. Excel returns to Louisville with more tips and tricks to help you work in Excel more efficiently and to realize its full potential.

Your participation in chapter activities is vital to the success of your chapter. We all learn from each other and can help each other so, the larger the group, the greater the opportunity to learn and network. I hope that you will take advantage of the interesting and informative meeting planned this month to both learn and network.

Thank you for everything you do for your chapter! If you would like to contact me with any questions or concerns, my contact information is listed below. I look forward to seeing you at the November meeting.

We will not be holding a meeting in December. I wish everyone a blessed, safe, and joyous holiday season and new year!

Best Regards,

Jennifer Dalton

Career Corner:

The IMA board recognizes that during the current economy some of our members are looking for career opportunities. We want to give members the opportunity to post their name and a brief paragraph of the type of position they are looking for including education and contact information.

Also we will be listing in our newsletter, companies with open positions relating to the accounting or IMA field. These should be positions that have been sent to a board member with the hopes to be filled by an IMA member.

Send information to Jennifer Kline – klinej@usa.redcross.org

IMA Chapter members receive significant discounts on all CMA and CPE purchases!
