

# MORE FACE

More face-to-face contact with experienced Cotton and Allen partners, to be exact. Partners who take the time to get to know you not just professionally, but personally. At Cotton and Allen, our partners believe the best way they can work for you—is to work face to face with you—something they already do for more than 2,000 clients in the greater Louisville area. So, if you're in need of an expert witness, litigation services, business valuations, tax planning or any of the other services we have to offer, take a look at Cotton and Allen Certified Public Accountants and Consultants. We think you'll like what you see.
